Jesus Speaks of the Father and the Counselor

Philip wished Jesus would enable
him and the other disciples to see God.

Unscramble the names of things that exist,
but we cannot see. The pictures will give you a hint.
Use the circled letters to complete Philip's request.

Jesus explained that because they had seen Him, they had already seen the Father.

Find 16 differences in the second picture.

Jesus knew that He would soon be with His Father where His disciples could not see Him either. But they could pray to Him.

Find Jesus' words. Fill the blanks in each row of the grid with words that match the clues. Follow the path through the grid to read the completed message. Then write the message on the lines below the grid.
